

CONFIDENTIAL INFORMATION MEMORANDUM

BUSINESS OVERVIEW

Business Summary: Blackberry Ridge is a luxury wedding venue and estate in Georgia, located 25 minutes from Chattanooga. The venue, which was a former golf course purchased in 2021, spans 265 acres with 80% usable land. It generated \$3.8 million in revenue in 2023, with profit margins of around 70%. The venue is booked 16+ months in advance and has hosted over 47,000 people in the last year. It targets high-net-worth clients and has notable clients including NFL/NBA players, governors, and senators. The average wedding budget is \$200,000, with venue packages ranging from \$35,000 to over \$100,000. The property includes two venues with lodging for 100 people, a helicopter landing pad, and is currently expanding with additional cottages and a restaurant/bar development.

Business Model: The business model involves renting out the luxury wedding venue, with minimal direct involvement in the weddings themselves. The venue offers packages ranging from \$35,000 to over \$100,000.
